Flos iacet hic mellis nigra tellure **MELANTHON,**

Apes dolete sedula,  
Vnde bonus spirabat odor, pia mella fluebant,  
Pia fleant Ecclesiae.

Lenta febris potuit paruum comburere florem,  
Lugete parui flosculi.

Nulla viri famam poterit delere vetustas,  
Fuci leues faceſſite.

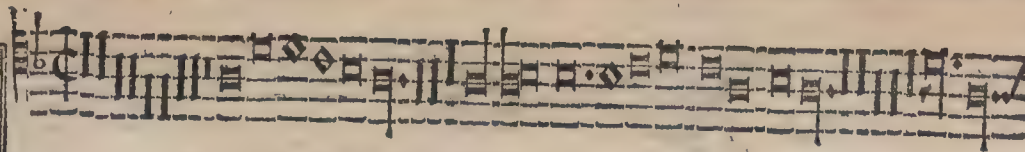

Semper apes flauo distendent neſtare cellas  
Qua nunc stetit flos melleus.

Semper humus suaves illic diffundet odores  
Qua nunc iacet flos paruulus.

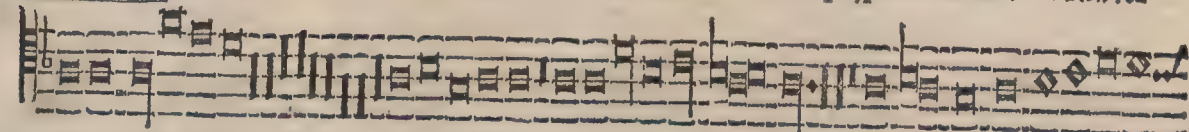

Sed cum summa dies optato illuxerit ortu,  
Flos hic virebit denuo.

Et reliquas inter beneolentes pulcrior herbas  
Christi nitebit vertice.
